

The wedding course was very informative and showed me the ins and outs of planning a wedding! I really enjoyed Rhonda and all the information she gave me. She tells you the good, the bad, and the ugly. The wedding course got me excited and gave me the confidence that I will be able to start my own business when I'm ready! This course also helped to reassure me that I can and want to be a wedding consultant. I also enjoyed assisting Rhonda with a wedding. It was a great learning experience and reinforced the things that Rhonda had gone over with me in the course. Rhonda is a great teacher and truly wants to see you succeed!
